The Perishers, My Heart

Its my heart youre stealing Its my heart you take Its my heart youre dealing with And its my heart youll break Its my heart youre taking Its breaking bit by bit Its my heart youre dealing with But you dont know about it If youd feel like I feel And if youd know what I know I dont think youd ever play me I know youd never play me Its my heart youre stealing Its my heart you take Its my heart youre dealing with And its my heart youll break If youd feel like I feel And if youd know what I know I dont think youd ever play me I know youd never play me I dont think youd ever play me I know youd never play me
