

# The Perishers, When I Fall

I thought you should know  
I dont wanna let go  
Since youre allt Ive ever dreamed of  
What will you do to make me want to  
Just dont ever try  
To find out why  
I always keep you waiting  
Some things are better left unknown  
When I fall - if I fall  
Darling hold me  
cause when I fall - if I fall  
I will take you with me  
You mean the world to me so  
I aint gonna let go  
I need you to cling to  
What will you do to make me stop  
Just dont ever try  
To find out why  
I always leave you hanging  
Some things are better left unknown
