

The Pharcyde, Ya Mama

Intro:

Yo man, you gotta be... you know
You gotta be on to die, man, what's up with that?
Yo bro-shot
Yeah, word up bro-shot
Uh, we need some brothers to be, uh, like droppin knowledge
and writin good stuff
Ay man, why don't you quit talkin all the stuff and do something about it?
You know what I'm sayin?
Oh, you talking about.. kick some, uh, knowledge...
Yeah, well you do that like right now
... and some wisdom for the people
What's up with that?
OK, I got it

(brothers and sisters)

Verse One: Booty Brown

Ya mom is so fat (how fat is she?)
Ya mama is so big and fat that she can get busy
with twenty-two burritos, but times are rough
I seen her in the back of Taco Bell with handcuffs
The sad fact (what?) ya mama smokes crack (what?)
She got a burning yearning and there's no turning back
Her knuckles drag down to the ground when she walk
Spit comes out that bitch mouth when she talk

Refrain:

Naked on a mountain top, tootin on a flizoot
Ridin on a horse drinking whisky out a bizoot
She's got the wings and teeth of an african bat
Her middle name is Mudbone and on top of all that:

Ya mama got a glass eye with the fish in it (3X)
Ya mama, ya mama, ya mama

Verse Two: Slim Kid Tre

Ya mama look like she's been in the dryer with some rocks
With the big bust nose sucking dirt out of socks
Held up the ice cream truck with a slingshot
She grabbed a bag of Cheese Corn and a soda pop
Ya mama root'n'toot and stole my loot and my suit
She may have the muscles, but no, she's not cute
She's not pretty, oh what a pity, got the glass titty
Filled up with Kool-aid, just for the kiddies

Refrain:

On a cliff butt naked, tootin on a flute
Ridin on a horse drinkin whisky out a boot
She's got the teeth and the wings of an African bat
Her middle name is Mudbone and on top of all that

Ya mama got the wooden legs with real feet (3X)
Ya mama, ya mama, ya mama

Verse Three: Fat Lip

Watch out, I'm thinkin about your mother to a funky beat
I went to your house, and she licked me on the cheek

I said excuse me lady, but I remember seeing you at the Palladium
way back in September
Cause you was beatboxin for Lou Rawls
In some bright red boxer drawers
You said ya moms was pretty and young
But she's old as dirt and got hair on her tongue

Refrain:

Ya moms, ya moms, she uses Brut
And I saw her ridin a horsey drinking whisky out a boot
She's got the wings and teeth of an african bat
Her middle name is Mudbone, and on top of all that

Ya mama's got a peg leg with a kickstand (3X)
Ya mama, ya mama, ya mama

Verse Four: Imani

Awwwwwwww, ya mom is so fat (how fat is she?)
We rode up on her back to get some burgers from Wendy's
and her skates went flat; I got stuck in her butt crack
They thought I was lost but I was caught by the G-strap
Heaven forbid a giant fart would give way
Cause that would blow me round the world in a day
We drove into the drive-in and she didn't have to pay
because we dressed her up to look just like a Chevrolet

Refrain:

Naked on a mountain top tootin on a flizoot
Ridin on a horse, drinkin whisky out a bizoot
With the wings and the teeth of an african bat, ba-aa-aa-at
Her middle name is Mudbone and on top of all that

Ya mama's got an afro, with a chin strap (3X)
Ya mama, ya mama, ya mama

Ya mama wears coat hangers for earrings , dude she looks like.... hehehe
