

# The Pierces, Beautiful Thing

I didn't know that I would love you like I do  
I didn't think that I was ready to  
But there's something about the way you take my hand,  
it's like I never touched a man

And it's a beautiful thing  
You make me shy and  
you make me proud  
It's a beautiful thing  
You make me laugh out loud  
And when you pull me to you I unravel

I didn't know that love would fill me up so good  
I tried before but then you know it never would  
But there's something about the way you call my name,  
now I'll never feel the same

And it's a beautiful thing  
You make me shy and  
you make me proud  
It's a beautiful thing  
You make me laugh out loud  
And when you pull me to you I unravel

And when you hold me I feel more and more a woman  
I never knew that I could feel so free  
(x2)

And it's a beautiful thing  
You make me shy and  
you make me proud  
It's a beautiful thing  
You make me laugh out loud  
And when you pull me to you

And it's a beautiful thing  
You make me shy and  
you make me proud  
It's a beautiful thing  
You make me laugh out loud  
And when you pull me to you I unravel

I didn't know that I would love you like I do  
I didn't think that I was ready to
