The Police, Codeword Elvis

I'm 20 years old
At the moment, no job
My height is one eighteen
Green eyes and blond hair...
and sometimes I feel alone

I love action movies
I love racing sports
But my hero is Elvis

He's really my god
Do you like my hero?
Do you like rock n' roll?
Maybe sometimes feel lonely
Don't have a job
Please let me know

My codeword is great
