

The Police, I'll Be Watching You

Every breath you take
And every move you make
Every bond you break
Every step you take
Ill be watching you

Every single day
And every word you say
Every game you play
Every night you stay
Ill be watching you

Oh, cant you see
You belong to me
Now my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
Ill be watching you

Since youve gone, Ive been lost without a trace
I dream at night, I can only see your face
I look around but its you I cant replace
I feel so cold and I long for your embrace
I keep crying baby, baby please

Oh, cant you see
You belong to me
Now my poor heart aches
Every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
Ill be watching you

Every move you make
Every step you take
Ill be watching you
Ill be watching you

Every breath you take
Every move you make
Every bond you break
Every step you take
(Ill be watching you)

Every single day
Every word you say
Every game you play
Every night you stay
(Ill be watching you)

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
(Ill be watching you)

Every single day

Every word you say
Every game you play
Every night you stay
(I'll be watching you)

Every breath you take
Every move you make
Every bond you break
Every step you take
(I'll be watching you)

Every single day
Every word you say
Every game you play
Every night
