

# The Police, Only The Wind

Only the wind  
can carry  
my message to you  
Only the wind  
can say  
all that I wanted to  
I drown  
beneath the ocean,  
sinking fast  
I don't know  
Only the wind...

Only the wind  
can carry  
my message to you  
Only the wind  
can say  
all that I wanted to  
I drown  
beneath the ocean of my dreams,  
sinking fast,  
cringing at all my screams  
Only the wind
