

The Police, Spirits In The Material World

(Sting)

There is no political solution
To our troubled evolution
Have no faith in constitution
There is no bloody revolution

We are spirits in the material world
(Are spirits in the material world
Are spirits in the material world
Are spirits in the material world)

Our socalled leaders speak
With words they try to jail you
The subjugate the meek
But it's the rhetoric of failure

We are spirits in the material world
(Are spirits in the material world
Are spirits in the material world
Are spirits in the material world)

Where does the answer lie?
Living from day to day
If it's something we can't buy
There must be another way

We are spirits in the material world
(Are spirits in the material world)

(Are spirits in the material world...)
