The Polyphonic Spree, Section 9 (Light & Day/Re

Light and day Is more than youll say Cause all my feelings Are more than I can let by Or not It's more than youve got Just follow the day Follow the day and reach for the sun

You dont see me fly into the red - one more youre done Just follow the seasons and find the time Reach for the bright side You dont see me fly into the red - one more youre nuts Just follow the day Follow the day and reach for the sun Just follow the day Follow the day and reach for the sun

You dont see me fly into the red one more youre done Just follow the seasons and find the time Reach for the bright side You dont see me fly into the red one more youre nuts Just follow the day Follow the day and reach for the sun Just follow the day Follow the day and reach for the sun Just follow the day Follow the day
