

The Presidents of the United States of America, L

Ladybug ladybug poke your head out of the rug
and you come see me and bring your jug
cause when you come see me thats when you get your good love

down below the fuzzy lawn there's some romance going on
you been steppin round with a beetle named john
i can tell case you got your little long dress on
boil weevil linin in the flour cold tuxedo in the shower
gonna cross the room in about an hour
maggot do a dance on the meat when the meat go sour
maggot do a dance on the meat when the meat go sour

common!

centipede centipede hit the disco half past three
gonna crack that spine party in a pine tree
the DJs grooving and you're moving to a broken beat
dragonfly dragonfly stuck at the truck stop you can't fly
you got mud on your wing clouds in the sky
you're pretty and lucky that we did happen by
troglodyte troglodyte didn't make it to the party on a saturday night
well we waited up late and we left on the light
were hopin that you wont keep mopin but we think you might
yea were hopin that you wont keep mopin but we think you might

ladybug ladybug poke your head out of the rug
and you come see me and bring your jug
cause when you come see me thats when you get your good love
when you come see me thats when you get your good love
when you come see me thats when you get your good love
when you come see me thats when you get your good love
when you come see me thats when you get your good love
when you come see me thats when you get your good love

yea!
good love
you are my ladybug now

good love
you are my ladybug now

good love
you are my ladybug now

good love!
