

# The Presidents of the United States of America, V

I heard you on my wireless back in '52  
Lying awake intent on tuning in on you  
If I was young it didn't stop you coming through  
Oh oh  
They took the credit for your second symphony  
Rewritten by machine on new technology  
And now I understand the supernova scene  
Oh oh  
I met the children  
Oh oh  
What did you tell them

Video killed the radio star (x2)  
In my mind and in my car  
We can't rewind we've gone too far

And now we meet in an abandoned studio  
You hear the playback and it seems so long ago  
And you remember the jingles used to go  
Oh oh  
You were the first one  
Oh oh  
You were the last one

Video killed the radio star (x2)  
In my mind and in my car  
We can't rewind we've gone too far  
Too far!

Alright

Video killed the radio star (x2)  
It's my mind and in my car  
We can't rewind we've gone too far  
Pictures came and broke your heart  
So put all the blame on this VCR

You are radio star (x2)  
Video killed the radio star (x7)  
Yes video killed that radio star, yes it did
