

The Pretenders, Cuban Slide

Cuban Slide

Remember the nights i cried
you were doing that old cuban slide
All night I tried and tried
I could not master the cuban side.

R'member the night I started to weep?
under lights you did the 'creep'.
That night I could not sleep.
Oh lord how goes the creep?

Chorus:

Aly YI Aly Ya- I wanna dance but my feet won't let me
Aly YI YI Aly- I wanna dance would someone help me
Aly YI YI Ya- I wanna dance but my feet won't let me
Aly Aly Ya-

Last night I could not talk

On the street you did the Charing Cross walk
Up and down I swoop and stalk.
Only I can run, but I can't walk

Chorus

(Breakdown)

Remember the nights i cried
you were doing that old cuban slide
All night I tried and tried
I could not master the cuban side.

Aly YI Aly Ya- I wanna dance but my feet won't let me
Aly YI YI Aly- I wanna dance would someone help me
Aly YI YI Ya- I wanna dance but my feet won't let me
Aly Aly Ya-

Now Dance!
