

The Pretenders, Human

I play a good game but not as good as you
I can be a little cold but you can be so cruel
I'm not made of brick, I'm not made of stone
But I had you fooled enough to take me on
If love was a war, it's you who has won
While I was confessing it, you held your tongue
Now the damage is done

Well there's blood in these veins
And I cry when in pain
I'm only human on the inside
And if looks could deceive
Make it hard to believe
I'm only human on the inside

I thought you'd come through, I thought you'd come clean
You were the best thing I should never have seen
But you go to extremes, you push me too far
Then you keep going till you break my heart
Yeah, you break my heart

See, I bleed and I bruise
Oh, but what's it to you
I'm only human on the inside
And if looks could deceive
Make it hard to believe
I'm only human on the inside

I crash and I burn
Maybe some day you'll learn
I'm only human on the inside
I stumble and fall
Baby, under it all
I'm only human on the inside

And the damage is done

Well there's blood in these veins
And I cry when in pain
I'm only human on the inside
And if looks could deceive
Make it hard to believe
I'm only human on the inside

I crash and I burn
Maybe some day you'll learn
I stumble and fall
Baby, I do it all
I'm only human on the inside
