

# The Pretenders, One More Time

You believed in me  
When you had nothing to gain  
You stood by me  
You walked out in the falling rain  
To find me  
Waiting in the shadows behind me

Baby, please  
Please, won't you do it one more time  
Do it one more time  
Do it one more time  
Please, won't you do it one more time

You stayed when no one else would  
When I was delayed, you understood  
I've done some lowdown things, all right  
But you said I was good  
I couldn't forgive myself  
But you could

Won't you please  
Won't you please, won't you do it one more time  
Do it one more time  
Do it one more time  
Please, won't you do it one more time

I know I've made you promises  
And then I forget  
I've let you down, and darling  
I'm forever in your debt  
In my darkest hour I've turned you out  
When the mood has passed  
You came back in spite of me  
Saying this love, this love was meant to last

Oh baby, won't you please  
Won't you do it one more time  
Do it one more time with feeling  
Won't you do it one more time  
One more time with feeling  
Please, won't you do it one more time  
With feeling
