

The Pretenders, Time

You're always welcome
To stop on by
I'll be there baby
To get you high
You're thinking maybe
This one' for real
You don't know
How good you fell

Gimme some time
Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time

Come on in
We can be free
No one will be here
No one will see
It's nobody's business
What we do
You want me
Baby I want you

Gimme some time
Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time

Life is too tough
To work all day
What does it cost
To earn your pay
If the man is breaking your will
He won't reward you
But I will

Gimme some time
Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time

Here we go again

Gimme some time
Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time
Gimme some time

Real good time
Gimme some time
Time
Gimme some time
Real good time
Gimme some time
Time
