

The Pretty Reckless, And So It Went (ft. Tom Morello)

And so it went
Beggin' for forgiveness
Was such a waste of time
And the bullets start to fly
And the bar's about to break
Want to hear the cry
It's too much for me to take

They said the world does not belong to you
You are not the king
I am not the fool
They said the world does not belong to you
It don;t belong to you
It belongs to me

Ans soi t went
The children lost their minds
Crawling over bodies of those who gave their lives
And the fists began to throw
And the fire starts to blaze
Don't you think they know
That i am fucking human race?

They said the world does not belong to you
You are not the king
I am not the fool
They said the world does not belong to you
It don;t belong to you
It belongs to

Everyone is crying out
I can hear tchem scream
Whit all these eyes upon us
But no one seems to see
That you and me are just the same
As God meant it to be
But you're too close to me
You're much too close to me
