

# The Proclaimers, Long Gone Lonesome Blues

I went down to the river to watch the fish swim by  
But I got to the river so lonesome I wanted to die  
So, I jumped in the river oh, but the river was dry  
Shes long gone now Im lonesome blue

I had me a woman who couldnt be true  
She made me lose my money and she made me blue  
Now I need a woman that I can lean on  
But my leanin post just got up and gone  
Shes long gone now Im lonesome blue, Yeah

Im gonna find me a river, one thats cold as ice  
When I find me that river, Im gonna pay the price  
Im goin down in it three times and Im only comin up twice  
Because shes long gone now Im lonesome blue

She told me on Sunday she was checkin me out  
Along about Monday she was nowhere about  
And here it is Tuesday, I aint had no news  
I got the gone but not forgotten blues  
Shes long gone now Im lonesome blue

Yeah, Yeah, Yeah

Shes long gone now Im lonesome blue
