

# The Proclaimers, Slowburner

Keep on a slow burner  
From Monday till Friday  
Keep on a slow burner  
Ank I'll take its place

Stay lonely, for four midnights  
Till I'm holding you tight  
Keep on a slow burner  
And I'll take its place

Keep on a slow burner  
From Monday till Friday  
Keep on a slow burner  
I'll take its place

Work hard now  
But not too much  
Don't damage your soft touch  
Keep on a slow burner  
And I'll take its place  
Keep on a slow burner etc...
