

# The Prodigy, King Kut

(Section 3)

Play it and scratch it  
Play it and scratch it  
King Kut, u know u wanna slice  
Scratch is so nice u gotta hear it twice  
King Kut, and it's good to go  
Scratchin' to the beat in stereo  
DJ Cheese (and a little bit sore?)  
Scratch up the beat and go off, go off  
I'm not original, I'm predictable  
And when I MC I'm powerful  
In my own way i rock the mic  
I got a style of my own,  
Never have to fight  
Cos I can rock any record  
If u just let us  
Me go off, I can do it better with  
Jazz, solo, rock-and-roller  
Scratchin' to the set or on a big solo  
Cos I announce the time,  
When it comes to rhyming (sing)  
Lyrics like this, I'm a scientist  
And if u want proof that we got juice,  
Just check out the rhymes that we produce  
We're gonna take our talent to the extreme  
Destroy this place like a mad machine  
Cos we're live, wise, organised  
Three in a place you'll recognise
