The Prototypes, Kaleidoscope

Everywhere Confessions fill you in Obsessions finally Will have a tragic truth from the sky to you kill me now But slowlly thrill me now You only talk to me A little sacrifice for bad advice I picture the love from the pieces of you But you turn it around for a different view cause Loves like a Kaleidoscope In a changing world, in a changing world Love hangs by a fragile hope In a changing world, in a changing world K k k k k k k kaleidoscope K k k k k k kaleidoscope K k k k k k kaleidoscope We can turn it around now It's still not there Hold me now Forever I want an end Together talking is cheat I could fall for you if you want me to Every time i see you sometime And change my own mind We could have it all but the colours fall I picture the love from the pieces of you But you turn it around for a different view cause Loves like a Kaleidoscope In a changing world, in a changing world Love hangs by a fragile hope In a changing world, in a changing world K k k k k k kaleidoscope K k k k k k kaleidoscope K k k k k k kaleidoscope We can turn it around now It's still not there I picture the love from the pieces of you But you turn it around for a different view cause Loves like a Kaleidoscope In a changing world, in a changing world Love hangs by a fragile hope In a changing world, in a changing world K k k k k k k kaleidoscope K k k k k k kaleidoscope K k k k k k kaleidoscope We can turn it around now It's still not there Love hangs by a fragile hope In a changing world, in a changing world (It's still not there) K k k k kaleidoscope We can turn it around now It's still not there
