

# The Pussycat Dolls, Happily Never After

"I dont think I want this anymore"  
As she drops the ring to the floor  
She says to herself "You've left before  
This time you will stay gone, thats for sure"

And he shattered something as  
She dragged her suitcase down the path  
To the driveway  
She had never gone that far  
Normally this would be  
The time that she  
Would let him talk her out of leaving  
But this time, without crying  
As she got into her car  
She said

No..  
Happily never after  
That just aint for me Because finally  
I know, I deserve better, after all  
I'll never let another teardrop fall  
As she drove away she starts to smile  
Realized she hadn't for a while  
No destination, she drove for miles  
Wonderin' why she stayed in such denial

Laughing about the way he shattered something as  
She dragged her suitcase down the path  
To the driveway  
She had never gone that far  
Normally this would be  
The time that she  
Would let him talk her out of leaving  
But this time, without crying  
As she got into her car  
She said

No..  
Happily never after  
That just aint for me Because finally  
I know, I deserve better, after all  
I'll never let another teardrop fall

I'm done , I'm done  
Said I'm so done  
So done, I'm done, I'm done  
I'm free, I'm free, I'm free  
Free to be me

She inhales an air she'd never breathed before  
The air of no drama, no more  
She said

No..  
Happily never after  
That just aint for me Because finally  
I know, I deserve better, after all  
I'll never let another teardrop fall  
[3x]

..another teardrop fall
