

The Radios, Dreaming Wild

Last night in our bedroom
Thought I didn't sleep a wink
Seemed I could not close my eyes
Heard the sound of water droplets
Dripping in the sink
Checked them once
I checked them twice

Thought I was up all night
But it wasn't true
seemed I was sleeping tight
Dreaming about you

I was dreaming about you
You know I can't live on without you
I was dreaming... like a child
There were tears on my pillow
I was leaping like a willow
I was dreaming, dreaming wild!
