

# The Radios, Think Of You

The future's bright but never sure  
On sunshine avenue  
I hope that you will think of me  
While I think of you

What's going round is coming round  
And I don't know what to do  
I hope that you will think of me  
While I think of you

Think of you think of me  
Think of you and I as one  
Takes a ship to cross the sea  
Takes an evil heart to hit and run

A knock on wood a hammer's bang  
Will make it all come true  
I hope that you will think of me  
While I think of you

Think of you think of me  
Think of you and I as one  
Takes a ship to cross the sea  
Takes an evil heart to kiss and run
