The Radios, Think Of You

The future's bright but never sure On sunshine avenue I hope that you will think of me While I think of you

What's going round is coming round And I don't know what to do I hope that you will think of me While I think of you

Think of you think of me Think of you and I as one Takes a ship to cross the sea Takes an evil heart to hit and run

A knock on wood a hammer's bang Will make it all come true I hope that you will think of me While I think of you

Think of you think of me Think of you and I as one Takes a ship to cross the sea Takes an evil heart to kiss and run
