

The Ramones, Death Of Me

We've got to stop this crazy carrying on
It's gonna be the death of you stop this crazy
carrying on it's gonna be the death of me
It's gonna be the end you see it's gonna be the death of we

If we don't stop this crazy carrying on
It's gonna be the death of you stop this crazy
carrying on it's gonna be the death of me
It's gonna be the end you see it's gonna be the death of me

And I feel like I'm gonna die I don't feel so
Good inside why baby-why, why, why?
But I had a good time you know I had a good night

We've got to stop this crazy carrying on
It's gonna be the death of you stop this crazy
carrying on it's gonna be the death of me
It's gonna be the end you see it's gonna be the death of me
