

# The Ramones, She Talks To Rainbows

She's a little lost girl in her own little world  
She looks so happy but she seems so sad, oh yeah  
She's a little lost girl in her own little world  
I'd like to help her, I'd like to try, oh yeah

She talks to birds,  
She talks to angels,  
She talks to trees,  
She talks to bees,  
She don't talk to me  
Talks to the rainbows and to the seas  
She talks to trees  
She don't talk to me, don't talk to me

You know she drives me outta my mind  
You know she drives me outta my head  
You know she drives me outta my mind  
You know she drives me outta my head

She talks to birds,  
She talks to angels,  
She talks to trees,  
She talks to bees,  
She don't talk to me  
Talks to the rainbows and to the seas  
She talks to trees  
She don't talk to me, don't talk to me

She's a little lost girl in her own little world  
She looks so happy but she seems so sad, oh yeah  
She's a little lost girl in her own little world  
I'd like to help her, I'd like to try, oh yeah

She talks to birds,  
She talks to angels,  
She talks to trees,  
She talks to bees,  
She don't talk to me  
Talks to the rainbows and to the seas  
She talks to trees  
She don't talk to me, don't talk to me  
She don't talk to me, don't talk to me  
She don't talk to me, don't talk to me  
She don't talk to me, don't talk to me
