

The Rasmus, Back In The Picture

There were times in my life I was down on my knees, now it's over
Deep inside my heart I know
Simply put I've been stabbed in the back ever since I remember
And deep inside it hurt to let go

Woahh

Back in the picture, back in the picture
I wonder what took so long, so long

Back in the picture, back in the picture
I wonder what took so long, so long

Dedicate everything I create to my friends I would die for
But you will always be the one
Memories that you can't overrun, memories I could cry for
I thought I'd always be on the run

Woahh

Back in the picture, back in the picture
I wonder what took so long, so long

Back in the picture, back in the picture
I wonder what took so long, so long

There were times in my life I was down on my knees, now it's over
Deep inside my heart I know

Woahhh

Back in the picture, back in the picture
I wonder what took so long, so long

Back in the picture, back in the picture
I wonder what took so long, so long, so long, so long

So long
