

The Rasmus, Bullet

I think I should go and leave you alone, yeah
Stop this game and hang up the phone
And more
I should go into the night alone
And get inside of the cyclone
It's like I wanted to break my bones
To get over you
'Cos if I stay
I'm number two anyway

(fire)
Like a bullet you can hurt me
Take me, break me
(fire)
Like fire you can burn me
(take me)
Convert me
(break me)
Like a bullet you can hurt me
Like a bullet you can hurt me

You say there are so many things going on
In your life now
It's so very hard to find time for me
And you say
Do you believe in the destiny?
This is the way it was meant to be
I gotta leave you to make you see
I'm over you
'Cos if I stay
I'm number two anyway

(fire)
Like a bullet you can hurt me
Take me, break me
(fire)
Like fire you can burn me
(take me)
Convert me
(break me)
Like a bullet you can hurt me
(fire)
I can't believe it when my friends say
(take it easy)
Take it easy, don't you worry about the rainy days
(fire)
Like fire you can burn me
(take me)
Convert me
(break me)
Like a bullet you can hurt me

Maybe I'm blind
Forever young
Don't get me wrong
I don't belong here
Like fire you can burn me
Like a bullet you can hurt me

(fire)
Like a bullet you can hurt me
Take me, break me
(fire)
Like fire you can burn me

(take me)
Convert me
(break me)
Like a bullet you can hurt me
(fire)
I can't believe it when my friends say
(take it easy)
Take it easy, don't you worry about the rainy days
(fire)
Like fire you can burn me
Convert me
Like a bullet you can hurt me
Like a bullet you can hurt me
Like fire you can burn me
Please hurt me
