

The Rasmus, Rakkauslaulu

Et oo koskaan sanonut mulle rakas
(raakaas..)
Et oo koskaan sanonut ett s vliitt
(vliitt...)
S tiedt ett m tykkn susta
(min tykkn sinustaa-aa...)
Ja ett ihan millon vaan s luokseni tulla saat

Pom, pom, pom

M luulin lytneeni oman mussukan
Sulle korvaan kuiskasin: "Hei Rakkaimpain."
S sanoit mulle: "Hei Pauri ystvin.."
Katsoit silmiin ja nytit nin.

En oo koskaan sanonut sulle pahasti
Vaan hyvsti
Ei oo koskaan oikein ees riidelykk
(riidelykk...)
M haluaisin olla sulle enemmn
(olla sulle enemmn...)
Tiedthn ett sinusta vliitn
(vliitn...
)
Pom, pom, pom

M luulin lytneeni oman mussukan..

You've never called me darling
You've never showed me that you care
You know that I like you
And that you can come to me any time you want

Pom, pom, pom

I thought I had found my own sweetheart
I whispered to your ear "my darling"
You said to me "Hey Pauri my friend"
you looked into me eyes and showed me this

I've never said anything bad to you
(only good-bye)
We have never even fought
I'd like to be something more to you
You know that I really care for you

Pom, pom, pom..

Yeah, yeah, yeah.....
