

The Rasmus, You Got It Wrong

When you found me on the street
Did you think you rescued me?
I bet you thought without you I would die
Like a snake you swallowed me
Took it 'till I couldn't breath
Just to bring your fantasies to life
You count on the faithful to get you way
And to follow your lie

You got it wrong now
'Cause I don't give a fuck
I'm not your believer
You got it wrong so
I guess you're out of luck
Your dreams just lost a dreamer

Hold me with your mystery
Preaching peace and charity
But I've seen through your vanity and lies
Think you got the best of me
But I will rewrite history
I'll take back my life to your surprise
If I can make it as painful as you did for me
It's just wasting my time

You got it wrong now
'Cause I don't give a fuck
I'm not your believer
You got it wrong, so
I guess you're out of luck
Your dreams just lost a dreamer

There's a little part of me
That would like to see you cry
Even if is just one tear
I know it would never dry

You got it wrong now
'Cause I don't give a fuck
I'm not your believer
You got it wrong, so
I guess you're out of luck
Your dreams just lost a dreamer
