

The Raveonettes, Love Can Destroy

If You Were Me And All You Could Think Of
Was To Die In Your Arms Tonight
How Would You Tell Me And How Would You Hurt Me
When Hearts Are Not Chained At First Sight
Here I Go Not Even Surprised
When Love Is Gone Like Something You Stole
It Takes A Little Time Of Getting Used To
But Love Can Destroy Everything

I Vaguely Remember Something You Told Me
When I Took A Shot At Your Heart
You Said You Could Never Die For Someone
Who Tore All Your Dreams Apart
Here I Go Not Even Surprised
When Love Is Gone Like Something You Stole
It Takes A Little Time Of Getting Used To
But Love Can Destroy Everything

It Takes A Little Time Of Getting Used To
But Love Can Destroy Everything
Yeah Love Can Destroy Everything
