

# The Raveonettes, Love Can Destroy Everything

If You Were Me And All You Could Think Of  
Was To Die In Your Arms Tonight  
How Would You Tell Me And How Would You Hurt Me  
When Hearts Are Not Chained At First Sight  
Here I Go Not Even Surprised  
When Love Is Gone Like Something You Stole  
It Takes A Little Time Of Getting Used To  
But Love Can Destroy Everything

I Vaguely Remember Something You Told Me  
When I Took A Shot At Your Heart  
You Said You Could Never Die For Someone  
Who Tore All Your Dreams Apart  
Here I Go Not Even Surprised  
When Love Is Gone Like Something You Stole  
It Takes A Little Time Of Getting Used To  
But Love Can Destroy Everything

It Takes A Little Time Of Getting Used To  
But Love Can Destroy Everything  
Yeah Love Can Destroy Everything
