

The Raveonettes, The Christmas Song

All the lights are comin' on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

All the trees are on display now
And it's cold now
I don't feel like going home now
I wish that I could stay

I wish that I could walk...
I wish that I could walk you home

All the lights are comin' on now
How I wish that it would snow now
I don't feel like going home now
I wish that I could stay

Santa's comin to town
With secrets in his hands
Santa's comin to town
With secrets in his hands
