## The Raveonettes, The Christmas Song

All the lights are comin' on now How I wish that it would snow now I don't feel like going home now I wish that I could stay

All the trees are on display now And it's cold now I don't feel like going home now I wish that I could stay

I wish that I could walk...
I wish that I could walk you home

All the lights are comin' on now How I wish that it would snow now I don't feel like going home now I wish that I could stay

Santa's comin to town With secrets in his hands Santa's comin to town With secrets in his hands
