

The Real Booty Babes, Somebody Else

Here we are
Talking for hours
But one thing
Feels it's covered
I thought
We just had each other
It came out
We worked undercover
Here we are
Talking for hours
But one thing
Feels it's covered
I thought
We just had each other
It came out
We worked undercover
But that won't do
I don't want to
I don't have to
But I know, you save the best for last
I'm a rated, you're just faking
You save that for somebody else
You save that for somebody else
You save that for somebody else
Well, I thought we were forever
But for you, I'm just a sodder
I thought, we would care for each other
But I came home, ran into your lover
But that won't do
But that won't do
I don't want to
I don't have to
But I know, you save the best for last
I'm a rated, you're just faking
You save that for somebody else
Somebody else
Save that for somebody else
You save that for somebody else
You save that for somebody else
