

# The Red Jumpsuit Apparatus, Pleads And Postcards

I knew this is all good time for you  
And if it's not just know I may not be here when you need me  
Sometimes I fell like I would die without you  
And if it's still really don't will be when I say I'm sorry now  
Hang on till this moment,  
It will be all over soon

(Chorus)

Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home  
Is this what life is supposed to be about?  
And though it's hard but I will help you understand it somehow  
The only thing that I want from you is trust  
Together we will make it through this world we must  
Hang on till this moment,  
It will be all over soon

(Chorus)

Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home  
But if I should fall  
And you should move on  
Our eyes watch out for you from all above  
Now don't think this wrong  
But you should move on  
Our eyes watched over you from up above  
This could be the last time that I'll speak with you  
But just in case let's make them best of what we have until this through

(Chorus)

Cause I know you'll wait for me  
You'll wait for me till I get home  
Yes I know you'll wait for me  
You'll wait for me till I get home
