

The Red Jumpsuit Apparatus, Step Right Up

Please aim slow
I know it's not like you
To take the fall
For anyone but yourself
Let me show you a world
That you've never seen
Let me help you around
What you meant to say
There is no time to waste
Well if I love you can't hesitate
Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win
Whoa you know you did it again
And everytime I hear your voice
Well you know i had no choice but to let you in
Life's short
Don't pretend
Let me show you a world
That you've never seen
Let me help you around
What you meant to say
There is no time to waste
Well if I love you can't hesitate
Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win
Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win
Please aim slow
Please aim slow
Oo what could I say to you
To let you know every day
I am grateful
I wish I could turn back time
Or make it rewind
I would find you when we were younger
So we could spend all the time on earth together longer
Step right up
Shoot an arrow at the target
My heart is an easy thing for you to hit
Don't worry
If you miss I'll let you shoot again
My heart is an easy thing for you to win
Step right up again
And if I love you can't hesitate
Step right up again
My heart is aching I can barely wait
Step right up again
When if I love you can't hesitate
Step right up again
My heart is aching I can barely wait
