

The Reindeer Section, Grand Parade

I love the way I feel so come although I can hardly wait.

I hear your voice, it feels like rain,

I've made my choice, I know.

I taste your skin, it melts and sings, yes, we can win, I'm sure.

I'll see your heart like golden fire, it leads me on for good.

I love the way I feel so come although I can hardly wait.

I hear your voice, it feels like rain,

I've made my choice, I know.

I taste your skin, it melts and sings, yes, we can win, I'm sure.

I'll see your heart like golden fire, it leads me on for good.
