

The Rembrandts, Happiness

Life goes on....at least that's what they say
Though dreams may die...they never fade away
Yesterday is gone forever-Would you trade tomorrow for today
I had given up all hope, of ever feeling like I had
In the days of our perfection, 'fore everything went bad
When I think of all those heart aches...it amazes me, no end
We could rise to this occassion...find our happiness again
Locked in time...together in the past
Our innocence...was never meant to last
So we share our final sunset...and we got our separate ways
I had given up all hope, of ever feeling like I had
In the days of our perfection-'fore everything went bad
When I think of all those heart aches...it amazes me, no end
We could rise to this occassion...find our happiness again
Find our happiness again
Find our happiness again
I can never find our happiness again
Ohh...na na na na na na
Na na na na na na
Oh we'll never find our happiness again
(to fade)
