

The Rembrandts, Maybe Tomorrow

I tried to win your heart-That's when I lost my head
I should have saved up all of my feelings, but I squandered them instead
And in one fragile moment, I could almost see
Just how things might have changed for better
I guess what is, was meant to be
Now I know...it's gonna take some time to let you go-Ohhh
MAYBE TOMORROW, MY HEART WILL MEND
MAYBE TOMORROW, WE'LL BE FRIENDS
MAYBE TOMORROW, WHO'S TO SAY?
BUT TONIGHT, IT SEEMS LIKE TOMORROW, IS SO FAR AWAY-Oh yeh
Tell me what can I do, to fill the space that once held you?
I see your face in every corner, hear your voice in every room
And I know this feeling, is the ghost of all our tears
Will you be hauntin' me forever...and ever?
I know.....I don't think that I can let you go-No
(CHORUS)-Hey
What am I gonna do without you baby..since you've been gone?-Ooh
(CHORUS)-Yeh
Maybe tomorrow
Maybe tomorrow
Maybe tomorrow-Who's to say-Hey!
But tonight, it seems like tomorrow is so far away
Oh no...There's just no way that I can let you go.....No
