

# The Rembrandts, Maybe Tomorrow

I tried to win your heart-That's when I lost my head  
I should have saved up all of my feelings, but I squandered them instead  
And in one fragile moment, I could almost see  
Just how things might have changed for better  
I guess what is, was meant to be  
Now I know...it's gonna take some time to let you go-Ohhh  
MAYBE TOMORROW, MY HEART WILL MEND  
MAYBE TOMORROW, WE'LL BE FRIENDS  
MAYBE TOMORROW, WHO'S TO SAY?  
BUT TONIGHT, IT SEEMS LIKE TOMORROW, IS SO FAR AWAY-Oh yeh  
Tell me what can I do, to fill the space that once held you?  
I see your face in every corner, hear your voice in every room  
And I know this feeling, is the ghost of all our tears  
Will you be hauntin' me forever...and ever?  
I know.....I don't think that I can let you go-No  
(CHORUS)-Hey  
What am I gonna do without you baby..since you've been gone?-Ooh  
(CHORUS)-Yeh  
Maybe tomorrow  
Maybe tomorrow  
Maybe tomorrow-Who's to say-Hey!  
But tonight, it seems like tomorrow is so far away  
Oh no...There's just no way that I can let you go.....No
