

The Rembrandts, Summertime

I see the world pass by
Dressed in their winter blues
A tear in my eye
For someone that I knew
And ya....You know it won't be long
Before I melt away
Like a river runs...into the bay
Today the sun is hidin'
Tomorrow it will shine
Ooooooh in the summertime
Whoah whoah...in the summertime
I feel it in the air
Yeh I can feel it in my bones
I see you lyin' there
Out of reach and all alone
Can you...show me where...we did fall and break
'Cause we're losin' light
And it's gettin' late and I can't see
The place where we're together
Forever in my mind
Ooooh...in the summertime
Whoah whoah...in the summertime
You walk through me, like an open door
Closer to me than..anyone before
Only to lose you in the end
(music)
Today the sun is hidin'
Tomorrow it will shiiiiine
Oooh..in summertime
Whoah whoah...in the summertime
Whoah whoah...in the summertime
Whoah whoah....in the summertime
