

The Replacements, Alex Chilton (Demo)

If he was from Venus
Would he feed us with a spoon?
Get on back to Mars
And not too soon
Get down right on campus
Would he stamp us with a smile
He had in Memphis all the while

Children by the millions
Wait for Alex Chilton
He hits down
I'm in love
What's that song?
I'm in love
What's that song?

Hangin' down in London
Was he (???) down in France?
And he never gave you a chance
Come on, let it run
Shootin' their guns
He goes wild
Morning, you wanna where be found

Children by the millions
Wait for Alex Chilton
He comes round
I'm in love
What's that song?
I'm in love
What's that song?

Never travel far
Without a little Big Star

Runnin' round the house
Mickey Mouse shoot his gun
Shootin' them guns with a flop-pop video on
If he was from Venus
Would he meet us on the moon?
If he died in Memphis
He'd be cool

Children by the millions
Wait for Alex Chilton
He hits down
I'm in love
What's that song?
I'm in love
What's that song?
I'm in love
What's that song?
I'm in love
With that song
