

# The Replacements, Alex Chilton (Demo)

If he was from Venus  
Would he feed us with a spoon?  
Get on back to Mars  
And not too soon  
Get down right on campus  
Would he stamp us with a smile  
He had in Memphis all the while

Children by the millions  
Wait for Alex Chilton  
He hits down  
I'm in love  
What's that song?  
I'm in love  
What's that song?

Hangin' down in London  
Was he (???) down in France?  
And he never gave you a chance  
Come on, let it run  
Shootin' their guns  
He goes wild  
Morning, you wanna where be found

Children by the millions  
Wait for Alex Chilton  
He comes round  
I'm in love  
What's that song?  
I'm in love  
What's that song?

Never travel far  
Without a little Big Star

Runnin' round the house  
Mickey Mouse shoot his gun  
Shootin' them guns with a flop-pop video on  
If he was from Venus  
Would he meet us on the moon?  
If he died in Memphis  
He'd be cool

Children by the millions  
Wait for Alex Chilton  
He hits down  
I'm in love  
What's that song?  
I'm in love  
What's that song?  
I'm in love  
What's that song?  
I'm in love  
What's that song?  
I'm in love  
With that song
