

# The Replacements, I'll Buy

Cruisin' in the sunshine, ain't yet been to bed  
I could hear the motor whistlin', something's off the wall again  
Give my regards to Broadway, tell 'em I got change to spare  
Want big bucks? Gonna have to suck up air.

Anything you want, dear, is fine, fine, fine, fine, fine  
Everything you say, dear, I'll buy, buy, buy, buy, buy, buy, buy, goodbye

Talkin' about some pictures, now wouldn't that be a scream  
Movies are for retards like me and Maybelline  
Give my regards to Boston, ask 'em who'll buy the beer  
Don't wanna get pop, find yourself a rockin' chair

Anything you want, dear, is fine, fine, fine, fine, fine  
Everything you say, dear, I'll buy, buy, buy, buy, buy, buy, buy

Never get passed the dice dear, goddammit, I'm gonna roll  
People that pick your nose clean, so what we owe, owe, owe  
Give my regards to Broadway, tell 'em I don't really care  
If you want a good joke, why split? You'll go broke right here

Anything you want, dear, fine, fine, fine, fine, fine  
Everything you say, dear, I'll buy, buy, buy, buy, buy  
Anything you want, dear, fine, fine, fine, fine, fine  
Everything you say, dear, I'll buy, buy, buy, buy, buy, buy, I'll buy
