

The Replacements, Shooting Dirty Pool

Rock 'n roll loudmouth, shoot 'em off black
Stroke another one now, right behind my back
Do us all a favor, get yourself a spine
Everybody's chokin' on the grapevine

Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies

I heard it on the airwaves, I've seen it in my glass
Get your money on the table, get your head out of your ass
You're the coolest guy that I ever have smelt
I ain't a notch on nobody's belt

Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies

Why don't you get a haircut, sister?
That's it!

Shootin' dirty pool, spewin' dirty lies
Shootin' dirty pool, spewin' dirty lies
