

# The Reunion Show, Television

Look at me, I'm on the tele-v  
How could this be, it's me on channel 3  
Shiny shoes, and shiny hair  
My stylist told me what to wear  
She said to smile and look real thin  
Oh woah oh woah

Is anybody watching me?  
Or will I disappear?  
Is anybody holding on me?  
Am I wasting my time?

I want it, you need it  
Come on baby, let's conceive it  
If I fail, will you try?  
Oh, no! Don't turn the channel off

Knock, knock, that's me on the other side  
Put your hand on the screen, that's me you see  
I'm trapped behind this glass  
I'm trapped right in a box  
But that that's me, right on the the tele-v
