

The Riverdales, Fun Tonight

We're gonna have fun tonight [x4]
Grab your date and motorbabe (?)
cause we're gonna have fun tonight
We're gonna throw a bomb (?) in the city you're from
yeah we're gonna have fun tonight

[Chorus:]

We're gonna have fun tonight
We're gonna have fun tonight
We're gonna have fun, yeah we're gonna have fun tonight
We want something new right now and we're gonna have fun tonight
Bored and sick of everything, yeah, we're gonna have fun tonight

[Chorus]

1, 2, 3, go!

It doesn't matter where we go cause we're gonna have fun tonight
We got the Fastbacks kickin' on the radio and we're gonna have fun tonight

[Chorus]

Yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah

[x4]
