## The Rolling Stones, I am wating

I am waiting, I am waiting (oh yeah, oh yeah)
I am waiting, I am waiting (oh yeah, oh yeah)
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
You can't hold out, you can't hold out
Oh yeah, oh yeah
You can't hold out, you can't hold out
Oh yeah, oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
See it come along and
don't know where it's from
Oh, yes you will find out
Well, it happens all the time
It's censored from our minds

You'll find out

Slow or fast, slow or fast

Oh yeah, oh yeah

End at last, end at last

Oh yeah, oh yeah

Waiting for someone to come out of somewhere Waiting for someone to come out of somewhere

Stand up coming years and escalation fears

Oh, yes we will find out

Well, like a withered stone

Fears will pierce your bones

You'll find out

Oh we're waiting, oh we're waiting

Oh yeah, oh yeah

Oh we're waiting, oh we're waiting

Oh yeah, oh yeah

Waiting for someone to come out of somewhere

Waiting for someone to come out of somewhere

Oh we're waiting, oh we're waiting

Oh we're waiting, oh were waiting...
