The Rolling Stones, Patachute women

Parachute woman, land on me tonight Parachute woman, land on me tonight I'll break big in New Orleans And I'll overspill in Caroline Parachute woman, join me for a ride Parachute woman, join me for a ride I'll make my blow in Dallas And get hot again in half the time Parachute woman, will you blow me out? Parachute woman, will you blow me out? Well, my heavy throbbers itchin' Just to lay a solorhy rhythm down
